

Utah CGP – Guidance Activities Action Plan (Large Group) 2004-2005

Murray High School / Murray District

Target Group: 10th – 12th graders

Standard XI of Utah's Comprehensive Guidance Program Performance Review outlines the indicators for the SEOP Process. A level 4 in the category, **Document**, requires that "a written and electronic document exists" that includes such items as the student's goals, next-step plans, 4 year plans, graduation requirements and progress. We have been working with the SIS programmers at the Utah State Office of Education in the development of an Electronic SEOP for the past couple of years. Our counseling department outlined a two year program for the implementation of an Electronic SEOP for Murray High School students. We divided our implementation program into three phases: 1.) Introduction to faculty, parents and students; 2.) Training for parents and students; 3.) Application of the Electronic SEOP in our *Careers* class, SEOP conferences, and school-wide registration for 9-11th graders.

Intended Student Behavior	Utah GCP Student Outcome Desired Result For Student Learning	Activities to be delivered in what manner?	Resources / Staff Development Needed	Evaluation Method (How will we measure our results?)	Start/End Date	Projected # Of Students Impacted
Faculty, student & parent awareness of the Electronic SEOP individual Web Page Training on the MHS Electronic Web Page & resources available Use of the Electronic SEOP in the MHS Registration process	Utah CGP Student Competencies LC:C2— Learn to set goals to achieve life/career plans Students will develop an education plan for high school on their MHS SEOP web page for regular access and updating Students & parents can better understand the opportunities available and the suggested sequencing of courses, monitor progress towards graduation, & check UBSCT Results	Presentation to the MHS faculty, admin, & Jr High counselors Evening Programs delivered to all grade levels Individual SEOPs Classroom Visits Careers Class Guidance Curriculum	SIS Programmers develop Electronic student web page MHS Counselors Powerpoint presentations Post Cards Home PTSA Newsletters	Increased # of students acquiring user passwords Increased # of sophomores entering their 11 th & 12 th grade classes & post-high school goals Registration for the MHS '05-06 School Year	Aug 2003 June 2005	1500

ON-LINE ASSIGNMENT

1. Log on to the Murray High School web site: www.mury.k12.ut.us/mhs
2. Click on the "GRADES" tab
3. Enter your Murray High student number and your password
See main office receptionist, Katie Johnson, if you need a password (you will make up your own).
4. You should now be on your own Murray High web page.
Click on "GRADUATION REQUIREMENTS"

Here you can enter your classes for you junior and senior year by scrolling through the alphabetical listing of all classes offered.

Click on the class title of the class you are selecting. The class title selected will turn blue, and then click on the "ADD" button.

****When you sign up for a full year class you must add both 1st semester and 2nd semester (Except Choir, Band - classes that end with a 3)**

Each class has a course number. To make sure you are selecting the right class always check the course number listed on the handout of "Murray High School Course List."

To register for English 11 --

Highlight 4201 and 4202 (hold down the left click on the mouse and drag to do both)

To register for US History --

Highlight 6251 and 6252 (hold down the left click on the mouse and drag to do both)

****To drop any class you have selected, just click on drop and then a box will appear by the side of each of your selected classes. Just click the boxes next to the classes you want to drop and click on "DROP"**

5. Click on "CAREER PLAN" and fill in the four areas:

FOR YOUR **FUTURE**

Murray High School

COURSE LIST for 2005-2006

Revised February 10, 2005

Course Catalog ON-LINE: www.murrayschools.org/mhs

Students register for their classes on their individual Murray High School web page, using their student # and password. Students select from the classes listed below, **with the exception of - tryout classes** (Madrigals, Cheer, Drill, Dance Co, Student Govt, School Play, School Musical, and Literary Magazine Staff), **teacher's aides, internships, and off-campus classes**. See the advisor for more information.

SLCC CONCURRENT ENROLLMENT: allows students to earn college credit while in high school for \$0 tuition. These classes are taught at Murray High School and are authorized by SLCC. There is a one time matriculation fee of \$35. SLCC also offers some Distance Learning Classes for Murray High students, see Rob Couraud in Rm 115 if interested. A test will be required to register for Eng 1010 and any math.

CHECK THE TYPE OF "CREDIT" THAT EACH CLASS GIVES: (Elective or Core)

Check the "**Credit Column**" on the table below to see what type of credit you earn for each class: core or elective.

"**EL**" is for an elective and "**C**" is for core. The "**C**" will be followed by a letter that represents what area it fills:

A=Art, S=Science, E=English, M=Math, SS=Soc Studies, H=Healthy Lifestyles (PE & Health)

T=Career Technical Education, FL=Financial Literacy, Comp=Computer Technology

Utah CGP – Closing the Gap Action Plan (Small Group) 2004 - 2005

Murray High School / Murray District

Target Group: Senior Class

For our small group data project we wanted to measure the effectiveness of our senior SEOP process. Utah's Comprehensive Guidance Program has not required that individual conferences be held with seniors. However, the Murray School District has requested that we hold individual SEOP conferences with seniors in order to assist them as they make the transition out of high school. To quote the **Murray High Mission Statement**, we "will provide quality education which prepares each student to meet academic, employment, and life needs." The **MHS School Improvement Plan** calls for academic rigor -- for our students, particularly seniors to be "academically challenged through rigorous, engaging curriculum." A final reason to target our senior SEOP process is measure the effectiveness of the services we deliver and to address ways we can better serve our students and their parents. The results of our senior survey will provide "a measure of SEOP quality" as outlined in **Utah's CGP Standard XI**.

THE COLLEGE PROCESS

1. PLAN FOR COLLEGE

Where to start? "Catch the Vision!" Search for an education and career field that matches your interests and abilities. See the possibilities! Carefully choose classes that will prepare you for your college/major. Hit the books! Good grades are important for college admission. Make you are meeting the **admissions requirements** for your college.

2. COLLEGE SEARCH

Start Early! Consider what you are looking for in a school: location, size of student body, cost, academic programs, campus life, & diversity. After you identify your priorities, begin your college search using computer college searches (collegeboard.com and collegeview.com), college web-sites, catalogs and talking to family, friends and teachers. After narrowing down your list of schools arrange a **campus visit**. Call the student recruitment office at your college or go on-line.

3. COLLEGE ENTRANCE EXAM (MHS Code = 450-235)

There are 2 college entrance exams: ACT or SAT
ACT needed for admissions to Utah colleges / SLCC accepts their CPT
SAT needed for colleges on East Coast / They may also require SAT II
ACT Test given Saturday morning at MHS on: Oct 23, Dec 11
Apply on-line at act.org by **September 17th**
Or you can pick up an application in the MHS Counseling Office
List the colleges where you want your scores to be sent

4. APPLY TO COLLEGE

Complete your applications for colleges ON-LINE
You will be asked to pay an application/matriculation fee (about \$35)
UTAHMENTOR.ORG will link you to Utah colleges
Find out-of-state schools at collegeboard.com or collegeview.com
After you have completed a college admissions application you must request to have your MHS official transcript sent to your college.
Go to the Murray High School counseling office & talk to the **REGISTRAR**

5. PAY FOR COLLEGE

If you are interested in getting a grant, a job on campus or student loans you must complete the Free Application for Federal Student Aid (FAFSA)
Complete the FAFSA and submit it as soon after January 1 as possible.
Go to: fafsa.ed.gov for the application and finaid.org for information.
Search for Scholarships - Filing cabinet in counseling office
Best way to use a personalized search, like fastweb.com Also use free scholarship databases. Checkout Scholarship Book at MHS counseling page.

CHOOSING THE RIGHT SCHOOL

Options to consider:

- 4 year colleges & universities (How selective?)
- Community or Junior Colleges (2 yr)
- Service Academies (like Air Force Academy, US Military)
- Vocational, Technical and Career Schools
- Online Schools (make sure they are accredited)

In-State Admissions Criteria

1. Grade Point Average
2. ACT Test Score
3. Strength of subjects

Competitive Out-of-State

4. Recommendations
5. Activities/ Leadership / Awards
6. Essays & Interviews

Utah, USU: require addt'l courses and 90 index (ACT & GPA) / 2.8 GPA & 19 ACT
Weber, SUU, UVSC: encourage addt'l courses and 85 index / 2.7 GPA & 17 ACT
Snow, Dixie, CEU, SLCC: open enrollment (accept all students)

1. Consider which type of school appeals to you

Identify your priorities:

- Size: Large university versus small college? (1500 vs 30,000)
- Location: How far from home do you really want to be?
- Academic Programs: Do they offer what you need for your major?
- Cost: Can you realistically afford this school?
- Campus Life: Do they have activities you enjoy?
- Atmosphere: Is there diversity? Dorms? Safe Campus?
- Academics Rigor: Will you be able to keep up?

2. Get some advice

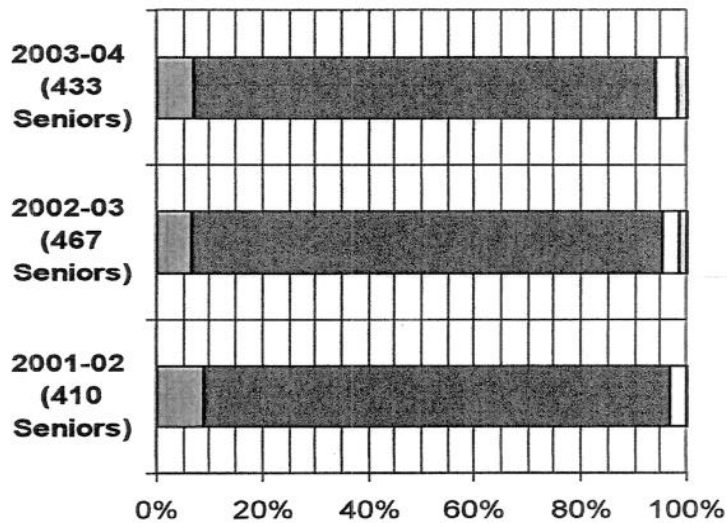

- Parents / family members
- Counselors / teachers / coaches

3. Get to know some schools

- Campus Visits: go as early and as often as you can
Visit a college before you decide to go there!
- Surf the Web: collegeboard.com does a college comparison
- College Web Sites and College Catalogs
